NO.: 250246

PATENT NO.: ZL 02 304163.3

After the preliminary examination was performed according to the Patent Law of P.R.C, the present Office decides hereby to issue a patent right and the present Patent Certificate, and to register the right on the Patent Record. The patent right will be effective as of the Publication Date of Grant of Patent Right.

The term of the present patent is ten years, counting from the filing date. Proprietor of patent right should pay annuities according to the provisions prescribed in the Patent law and the Implementing Regulations. Payment of annuities for the present patent shall be exercised within one month prior to March 05, each natural year. Failure to pay a prescribed annuity would result in the patent right ceasing when the term for payment of said annuity expires.

The present Certificate discloses items of the legal status as same as the patent right was recorded. Items of assignment, succession, revocation, invalidation, and cessation of patent right, as well as change of Proprietor's name, nationality, address, etc., are recorded on the Patent Record.
